

Transform your regulatory compliance to provide the best experience and the safest environment for players.

Casinos | Lotteries | iGaming | Sports Betting | Fantasy | Wagering

Gaming and gambling regulations are increasing, and more legislation is on the horizon. Operators need a comprehensive way to keep current with existing, revised, and new laws that are applicable to their gambling products.

Game-changing Regulatory Compliance through Automation

- **Comply** with the latest gambling and gaming regulations in the US and foreign jurisdictions.
- **Incorporate applicable crypto and digital assets laws** to better protect against illicit transactions.
- **Increase visibility** into new regulatory developments and eliminate manual spreadsheets.
- **Cover** all legal restrictions on marketing and advertising, as well as responsible gaming requirements.
- **Ensure your KYC and AML programs align** with the latest protocols and sanction lists.
- **Minimize the outsourcing** of top-tier consultants and regulatory content data providers.

Automate and Reduce

95%

reduction in the noise from regulatory updates.

80%

less time spent on process reviews.

Save Time, Resources, and Costs

The Regology platform provides a comprehensive, automated way of overseeing:

- 1** Regulation discovery, implementation, ongoing audits, and reporting.
- 2** Relevant regulatory changes that apply to your activities.
- 3** The downstream effects that result from those regulatory changes.

Regology's End-to-End Regulatory Change and Compliance Management Solutions

Our regulatory intelligence platform enables operators to quickly identify and organize applicable legal content, proactively monitor regulatory changes, and map policies, risks, and controls.

It houses both regulatory change and compliance management solutions, helping teams to have one source of truth, establish clear processes, and cut out the noise.

Whether you have your own library of laws or looking for guidance on which laws and regulations are pertinent to your online gaming activities, Regology can help.

Key Benefits

Build trust with your users by having an audit-ready compliance program that shows Integrity & Fair Play.

Sort regulations by topic (e.g. ads, contests, licenses and more) to better map policies, risks, and controls.

One smart law library to manage all regulations around Gambling, Casinos, Wagering, and Fantasy.

Get tailored alerts that notify you as soon as applicable new bills and legislation are published.

Smart Law Library

The most comprehensive digital law library on the market, spanning US federal and state legislation, a growing number of global markets, and more than 30 countries today.

Curated Regulatory Content
