Solution Features

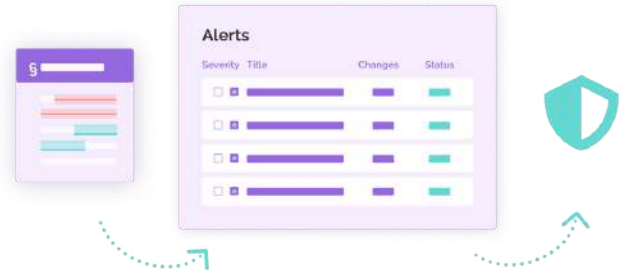

Smart Law Library

- Organize legal content by jurisdictions, topics, and activities.
- Filter, focus, and prioritize updates, based on your regulatory environment.
- Receive tailored alerts with a customized view to take notes and collaborate.

Horizon Scanning & Alerts

- Stay on top of regulatory developments.
- Track and analyze regulatory changes and agency alerts in one place.
- Leverage Horizon Scanning by tracking active bills by jurisdiction and status.

Automatic Change Tracking

- Automatically bring into view definitions, citations, and requirements.
- See what changed in a regulatory text with our automatic change-tracking feature.
- View the synopsis of an alert to get a brief summary of the content.

Enforcement Actions

- Get visibility into the latest penal actions and related laws and regulations.
- Get information on the Agency, Affected Entities, Penalty & Restitution Amount.

Intelligent Search

- Narrow your search results based on filters, like jurisdiction and document type.
- Include or exclude phrases and keywords to hone in on what is most relevant.

Part of the Regulatory Intelligence Platform

Our regulatory intelligence platform houses both **Regulatory Change** and **Regulatory Compliance Management solutions**, helping teams to have one source of truth, establish clear processes, and cut out the noise. Whether you have your own library of laws or looking for guidance on which laws and regulations are pertinent to your activities, Regology can help.
